

## Decision to cancel the tender

„Computers and Information Technology“

as part of the project titled

Extension of SWA II Development Capacities

**Contracting authority:** KIEFEL Automotive s.r.o.  
ID: 46884513  
Stod, Průmyslová 763, PSČ 33301

The above mentioned Contracting authority has decided to cancel the tender called "Computers and Information Technology", the date of publication of the announcement on the profile of the Contracting Authority on 20.7.2018.

Rationale: The Contracting authority has canceled the tender because identified shortcomings in the tender documentation. The required technical parameters of the subject of the contract were not adequately specified in Chapter 4 of the tender documentation.

The Contracting authority adjust the tender documentation and announce the tender again. The contracting authority address all potential suppliers again.

The Contracting authority also apologizes to candidates who have properly submitted their offers in this tender and hopes to re-enter the tender.
