

NET4GAS, s.r.o.
Na Hřebenech II 1718/8, 140 21 Praha 4 – Nusle, IČO: 27260364

Written Report of the Contracting Entity

pursuant Section 217 of the Public Procurement Act No. 134/2016 Coll., as amended (hereinafter "PPA") in the framework of the public tender "**Prisma Capacity Platform 2020**"

1. Identification of the Contracting Entity, the subject matter of the public tender and the contract price

Company Name:	NET4GAS, s.r.o.
Address/Seat:	Na Hřebenech II 1718/8, 140 21
Registration No.:	27260364

Subject matter of the public tender: The subject of the performance of the Public Tender is to enable NET4GAS to offer, and the Shippers to subscribe and trade gas transmission capacity in the grid of NET4GAS and to perform any other related action by means of the Platform.

Contract Price: **669,600 EUR (4 years of duration of the Service Contract)**

2. Form of the tender award procedure

The negotiation procedure without publication.

3. Identification data of the selected bidder, grounds for the contract award

Bid No. 1:
Company Name: **PRISMA European Capacity Platform GmbH**
Address/Seat: Reichsstraße 1-9, 04109 Leipzig, Germany
Registration No.: HRB 21361

Grounds for the contract award: The Contracting Entity received the Tender Offer in time in accordance with the Tender Documentation. The Bidder set the bid price in the Tender Offer in accordance with the Tender Documentation. Tender Offer in its all parts fulfil legal requirements and the Contracting Entity requirement according to the Tender Documentation.

4. Identification of all bidders and their bid price

Bid No. 1:

Company Name: **PRISMA European Capacity Platform GmbH**
Address/Seat: Reichsstraße 1-9, 04109 Leipzig, Germany
Registration No.: HRB 21361

Bid price: 669,600 EUR

5. Identification of the excluded bidders and grounds for the exclusion

The Contracting Entity has not excluded any Bidder.

6. Grounds for the exclusion of the bidders whose tender offer contained abnormally low tender offer price

The Contracting Entity has not excluded any Bidder on the grounds of an abnormally low tender offer price.

7. Grounds for holding the contract award procedure in the form of a competitive dialogue, negotiation procedure with publication or negotiation procedure without publication

Pursuant Commission Regulation No. 984/2013 Network Code on Capacity Allocation Mechanism (hereinafter "CAM") since 1 November 2015 the border Capacity has to be offered via auction – the Capacity Platforms. Pursuant CAM the Capacity could be offered in one point only via the one same Platform. Prisma Capacity Platform is at this time only one full effective available Platform on German and Slovak Border and is used by all German and Slovak Transmission System Operators. PRISMA European Capacity Platform GmbH is the unified Operator of Prisma Capacity Platform and holder of an exclusive rights. Due to facts above the Public Tender was launched in form of negotiation procedure without publication pursuant Section 63(3)(b) of PPA, especially due to technical reasons.

The use of the platform is possible only after becoming a TSO "shareholder" (shares are determined according to voting rights in ENTSG) or "Customer". The Contracting Entity has opted for the status of Customer, mainly because of cost savings.

8. Electronic Tender Offer

The Contracting Entity accepted only electronic way of submission of the tender offer (via Tenderarena Platform).

9. Grounds for the cancellation of certain Tender

The Contracting Entity has not canceled the tender.
